

## RESIDENTIAL CARE - Hazelford Residential Care Home

Standing on the site of a 10th Century Crossing over the River Trent, the Hazelford is an idyllic countryside retreat. The home is based in Bleasby near Southwell, with the extensive and beautiful grounds offering stunning views over the Nottinghamshire countryside. With warm and friendly staff creating a home-from-home atmosphere, it is a wonderful place to reside for either permanent or short term care.

The team of dedicated and committed staff is led by manager Carole, who has worked at Hazelford for eleven years and took over management two years ago. The excellent reputation that Hazelford has gained within the local community is richly deserved; Carole and her staff strive to ensure that every guest is cared for to meet their individual requirements so that their time at Hazelford is happy, comfortable and relaxing. They endeavor to understand each guest's hopes and aspirations, hobbies and pastimes so that they can be catered for. Support is gentle but stimulating, with wellbeing being of prime concern. A varied programme of day trips from the home is available and a hairdresser visits each week with a special hairdressing room on-site. The excellent range of facilities enables residents to really enjoy life to the full

Hazelford is luxurious, with attractive single en-suite bedrooms and high ceilinged spacious communal areas including the large and airy lounge, an attractive dining area where home cooked meals are served and a beautiful conservatory overlooking the stunning countryside. Some of the pictures on the walls of the home depict the old house and its setting hundreds of years ago. In addition to permanent and respite care, Hazelford is now also able to offer day care facilities which can make a wonderful break from everyday life, whilst relatives and carers can relax in the knowledge that the very best standards of care and facilities are on offer.

Relatives of long term guests have set up Friends of Hazelford a group which meets frequently to discuss how they can help provide support and arrange events, such as the summer gala taking place on 25th July. The home offers open visiting at any time for friends and

relatives, with all ages from the youngest children being warmly welcomed into the home. Prospective guests and their families are also welcome to visit at any time to see the level of care and facilities for themselves.

Hazelford Residential Care Home is on Boat Lane, Bleasby, Nottinghamshire, NG14 7FT. To find out more about Hazelford telephone Carole on 01636 830207 or visit [www.hazelfordnotts.co.uk](http://www.hazelfordnotts.co.uk)

*"Just wanted to put pen to paper to let you know how pleased we are with my parents' new accommodation. The care and attention you give to my parents makes me feel happy and confident that they are put first."*
