THE DIVINE BODY - August Special Offer on Non Surgical Face Lifts

This month at the Divine Body we are offering one third off non surgical face lifts, usually £220.00 for a course of 10 face lifts - special offer price of £150.00 when booked during August!

Non surgical facelifts are ideal for those of us that do not want to go under the knife to improve our appearance. The Dermalift facial lifting system will successfully lift and tone tired, sagging muscles, smooth and reduce lines and wrinkles that have formed around the eyes, forehead, mouth cheeks, neck and throat area.

Dermalift improves the circulation and assists the anti aging process, resulting in a much improved, more youthful appearance.

Clients will experience

- . Reduced lines and wrinkles
- . Facial muscles lifted and toned
- . Firmer facial contours
- . Finer pores due to increased elasticity
- . Reduced puffiness from around the eyes
- . Improved acned skin
- . Fresher improved complexion
- . Much younger skin texture

- . Released expression and stress lines
- . Improved moisture retention

We offer a free trial of this facial so that clients can see and appreciate the benefits of the treatment for themselves. Courses consist of 6 or 10 treatments; these facials last for one hour and are very relaxing. On completion, we recommend a monthly facial to maintain the improvements.

What are you waiting for? Book your free trial now! Telephone 01636 816673 for further information or to book your appointment.
