MOTOR ENGINEERS- **Epperstone By-Pass Garage**

Epperstone By-Pass Garage is a family run business, started in 1923 by Frederick Knowles, and is now run by the third generation. At Epperstone By-pass Garage they pride themselves on giving the very best in customer care and, with over 80 years of experience, they continue to offer a professional service at low prices. They are winners of several customer satisfaction awards from manufacturers in the UK.

A wide and varied selection of services for all makes and models of cars are available, from 4 x 4's, people carriers, vans and classic cars. Services include regular servicing, winter & summer checks, full diagnostic service, MOT preparation plus MOT testing, tyre fitting, exhausts, welding, batteries, air conditioning decontamination and re-gassing and front wheel alignment. They can also service your car while it is still under the Manufacturer's Warranty and save you pounds on main dealer charges.

You can be confident that Epperstone By-Pass Garage will provide you with a standard of service that will meet all of your needs and requirements, whatever the condition and age of your vehicle. They are Land Rover, MG Rover and Rover Specialists and are also a centre for air conditioning service and repairs. A BMW courtesy vehicle is available whilst your car is being serviced.

So whether you need a new exhaust, new tyres, a major service or MOT test, visit Epperstone By-Pass Garage to be assured of a professional service and total peace of mind. Epperstone By-Pass Garage is on the Epperstone By-Pass in Lowdham, NG14 7BZ. Visit www.knowlesgarage.co.uk for further details or telephone 0115 9663235 to make an appointment and give your car the attention it deserves!
