ANIMAL CARE - **McPherson & Partners Veterinary Surgeons**

McPherson and Partners Veterinary Surgeons are located on Southwell Road East in Rainworth, just a short drive from Southwell and the surrounding villages. They have been established since 1987 and are a sole veterinary centre with all expertise and care on one site. Run by three partners; Jack McPherson, Janice Dixon and Tim Rogers, the McPherson and Partners practice has over 90 years cumulative veterinary experience.

McPherson and Partners is a Tier 2 practice, with Royal College of Veterinary Surgeons accreditation which allows them to train Veterinary Nurses and ensures the Continuous Professional Development of all Vet and qualified Vet Nurses at the practice. They are forward thinking with new innovations and up to date technical knowledge. The team consists of sixteen members of staff plus the partners and the surgery is always both friendly and professional.

The practice offers excellent quality veterinary care as well as value for money prices, with a mix of open surgery, scheduled appointments and visits available. McPherson's is a large mixed veterinary practice treating both small and large animals, all types of domestic pets, farm livestock, horses and exotic birds and reptiles. The Practice has kennels, stable blocks, a paddock and two onsite theatres for surgical procedures, as well as horse hospitalisation for operations and a mobile

radiography unit. They run their own out of hours cover, enabling continuity of care, and also work with local and national animal welfare charities such as the RSPCA and Cat Protection. The surgery is open six days a week, weekdays 8.30am to 7.00pm and Saturdays 10.00am to 3.30pm. There is easy access and plenty of parking at the practice.

At McPherson and Partners you can be assured that your pet will receive the very latest in digital x-ray, high tech dentistry equipment and ultrasound, endoscope, electro cautery and cryo surgery. Insured claims can be dealt direct with the insurance company and client continuity is maintained whenever possible. All client records are fully computerised and they have a visiting referral orthopaedic surgeon. McPherson's also offer a full range of in house laboratory facilities with state of the art blood analysis machines allowing rapid same day processing and interpretation of blood and urine samples.

McPherson and Partners Veterinary Practice are at 166 Southwell Road East, Rainworth. For further details or to book an appointment for your pet telephone 01623 798050.
